The Coronavirus (COVID-19) is at the forefront of everyone's minds. For this reason, Session wants to ensure that communication is as clear and up-to-date as possible.

We are taking measures to proactively ensure we are doing our part to stop the spread of unwelcome illnesses. To this end, here are some of the decisions as of **March 12, 2020.**

### **Building Campaign Launch Party is Postponed.**

**Sunday March 15<sup>th</sup> we will gather for Worship.** Here are the precautions that we are taking to make our building a safe environment.

#### **Smile not Shake**

When you come to church on Sunday the greeters will open doors for you and provide you with disinfectant but we will not be shaking hands.

#### **Coffee Time after church Cancelled**

#### **Offering**

This Sunday we will stop passing the plate – there will be plates at each exit door where you can place your envelope. *In the case of a potential closure we are encouraging you this Sunday to sign up for automatic withdrawal (forms and assistance will be provided – you will need to provide a void cheque). Or consider an e-transfer (email – [finance@parispresb.ca](mailto:finance@parispresb.ca)), or giving online through our website. <http://parispresb.ca/contact/donate>*

**Follow Online** – If you prefer to stay home, please know that we upload all of our messages to our website. Simply click on the following link <http://parispresb.ca/media> We are asking that if you are ill or not feeling well please stay home.

Many of you have already, but if you have not, consider joining the **eblast** or the **prayer chain**. This will help us keep you informed and for us to stay connected. To be added, simply send an email to [contact@parispresb.ca](mailto:contact@parispresb.ca) Also follow us on **Facebook** - <https://www.facebook.com/parispresb/>

We want to assure you that we are taking this very seriously and continue to monitor the situation and meet as required. If any further adjustments to our protocol are required we will notify you as soon as possible.
